MEMORANDUM FOR: Director of Security

SUBJECT : Request for Approval of Publication  
of Article Written by Agency Employee

AT 1. On the 13th of April, 1973, you sent the attached article to this office and asked for our views as to whether it should be published. In my opinion, the article should not be published in Datamation. It seems to me that publication of the article would prompt inquiries about the content of the material used in the [redacted] system.

2. I regret to have taken so long to review this article. However, the recent events with regard to publicity about the Agency tend to support my views that this article should not be published.

3. Attached is a copy of a memorandum from [redacted] which raises the point as to whether [redacted] should be queried about the article before publication. If the Agency decides not to authorize publication, I do not think it is necessary to discuss the article with [redacted]

[redacted]  
Assistant General Counsel.
